6. **PAYMENT:**

DMS Facility Operations will authorize and process for payment each invoice within thirty (30) days after the date of receipt of a correct invoice.

7. **ORDERING PROCEDURE:**

Successful contractors are required to have either a local telephone number within the (302) area code, a toll free (800) number, or agree to accept collect calls. Each agency is responsible for placing their orders and may be accomplished by written purchase order, telephone, fax or computer on-line systems. The State makes payments for goods and services using procurement (credit) cards, electronic funds transfer and/or conventional checks. The contractor or vendor must accept full payment by procurement card and/or conventional check at the State's option, without imposing any additional fees, costs or conditions.

8. **REQUIREMENTS:**

This contract is issued to cover the janitorial services for the State Service Centers and Child Support Enforcement..

9. **HOLD HARMLESS:**

The contractor agrees that it shall indemnify and hold the State of Delaware and all its agencies harmless from and against any and all claims for injury, loss of life, or damage to or loss of use of property caused or alleged to be caused, by acts or omissions of the contractor, its employees, and invitees on or about the premises and which arise out of the contractor's performance, or failure to perform as specified in the Agreement.

10. **NON-PERFORMANCE:**

In the event the contractor does not fulfill its obligations under the terms and conditions of this contract, the ordering agency may purchase equivalent product on the open market. Any difference in cost between the contract prices herein and the price of open market product shall be the responsibility of the contractor. Under no circumstances shall monies be due the contractor in the event open market products can be obtained below contract cost. Any monies charged to the contractor may be deducted from an open invoice.

11. **FORCE MAJEURE:**

Neither the contractor nor the ordering agency shall be held liable for non-performance under the terms and conditions of this contract due, but not limited to, government restriction, strike, flood, fire, or unforeseen catastrophe beyond either party's control. Each party shall notify the other in writing of any situation that may prevent performance under the terms and conditions of this contract.

13. **SCHEDULE FOR PERFORMANCE OF WORK:**

All work described in these specifications shall be completed with reasonable promptness. As used in this Section, the State of Delaware shall be the sole judge of the term "reasonable". If the Contractor does not begin the work in a reasonable amount of time, they will be notified that if they fail to initiate the work promptly, the contract may be terminated and the State will forthwith proceed to collect for non-performance of work.

14. **PERSONNEL:**

- a. The Contractor represents that he has, or will secure at his own expense, all personnel required to perform the services required under this contract.
- b. All of the services required hereunder shall be performed by the Contractor or under his direct supervision, and all personnel, including subcontractors, engaged in the work shall be fully qualified and shall be authorized under State and local law to perform such services.
- c. None of the work or services covered by this contract shall be subcontracted without the prior written approval of the State.

15. **CHANGES:**

Both parties may, from time to time, require changes in the services to be provided by the Contractor under the Scope of Work. Such changes, including any increase or decrease in the amount of the Contractor's compensation, which are mutually agreed upon by and between the Agency and the Contractor shall be incorporated in written amendments to the Purchase Order.

16. **REMEDIES:**

Except as otherwise provided in this contract, all claims, counterclaims, disputes, and other matters in question between the State and the Contractor arising out of, or relating to, this contract, or a breach of it may be decided by arbitration if the parties mutually agree, or in a court of competent jurisdiction within the State of Delaware.

17. **AMENDMENTS:**

This contract may be amended, in writing, by mutual agreement of the parties.

18. **PERFORMANCE/TERMINATION:**

Continuing unsatisfactory performance beyond a reasonable period of time may result in the termination of this contract. Government Support Services reserves the right to terminate this contract in full or part with just cause given upon written notice.

19. **CHANGE ORDERS:**

Office of Management and Budget, Support Services, reserves the right to increase or decrease items on this contract, if required, regarding locations services, frequencies of the service and the types of services (floors, carpets, etc.), with mutual consent of the contractor.

20. **INSPECTION:**

The Director of Facilities Management or his designated representative reserves the right to make, or cause to be made, such inspections as are deemed advisable to assure that the requirements of these specifications are being fulfilled. If the contractor fails to comply with the specifications, it may be cause for termination of this contract.

21. **CONTRACTOR EQUIPMENT:**

The State of Delaware will **not** be responsible for the contractor's equipment due to loss, theft or destruction.

22. **WORK RULES:**

All work performed and services rendered shall strictly conform to all laws, statues, ordinances, and the applicable rules, regulation, methods and procedures of all governmental boards, bureaus, offices, commissions and other agencies.

23. **ASSIGNMENT:**

This contract shall not be assigned except by express written consent from the Director, Division of Support Services, of the State of Delaware.

SCOPE OF WORK DETAILS

SCOPE OF WORK: The contractor shall provide all personnel, equipment, tools, supplies, supervision and other items and services necessary to perform janitorial services as defined in these specifications.

SCHEDULE: This contract will require cleaning services, 5 days or nights a week (excluding holidays), Monday through Friday unless otherwise noted for specific buildings. Cleaning services will not be required on days in which a declared State of Emergency has been made by the Governor, or in the event of any other unforeseen type of emergency where State offices are closed.

The contractor shall be responsible for obtaining information through the news media regarding the declaration of a State of Emergency. However, in cases in which cleaning services will not be required due to any other unforeseen type of emergency, etc., the Custodial Superintendent or designee will be responsible for contacting the contractor or his designee as soon as we learn of the emergency. When an unforeseen emergency or day when State offices are closed (such as a Snow closure), the State shall have the following options:

- a. To require the contractor perform the work on the following day unless the following day is a Saturday, Sunday and routine work is not scheduled for Saturday or Sunday.
- b. Forego the work and reduce the payment due to the Contractor accordingly for work not performed.
- c. To reschedule the work on any day satisfactory to both parties. The contractor will be promptly notified of the State's decision by the Custodial Superintendent or designee.

SECURITY ALARMS (STATE SERVICE CENTERS): The vendor(s) awarded this contract will be financially responsible for all cost incurred for failing to properly follow deactivation/activation alarm procedures that results in the response by a paid security firm.

CONTRACT MANAGER: The contractor shall provide a contract manager who shall be responsible for the performance of work. The name of this person and an alternate(s) who shall act for the contractor when the manager is absent shall be designated in writing to the designated person of each agency prior to contract start date.

The contract manager or alternate shall have full authority to act for the contractor on all contract matters relating to daily operation of this contract.

SCOPE OF WORK DETAILS

The contract manager or alternate shall be available during normal duty hours within sixty (60) minutes to meet at the job site with the agency designee to discuss problem areas. After normal duty hours, the manager or alternate shall be available within two (2) hours.

The contractor shall provide the telephone number of the person(s) to call should the need arise. Time for response will be counted from the time the agency designee places the call to the contract manager or alternate. The contract manager and alternate(s) shall be able to read, write, speak, and understand English. Additionally, monthly manager meetings will be conducted with the Administrator of each facility.

EMPLOYEE IDENTIFICATION: Contractor personnel shall present a neat appearance and be easily recognized. This may be accomplished by wearing uniforms or clothing bearing the name of the company. Each employee shall wear a photo identification badge or card issued prior to starting work under this contract. The contractor is responsible for providing these items.

REMOVAL OF CONTRACTOR'S EMPLOYEES: The contractor shall, upon notice by the designee within each agency, replace any employee(s) within twenty-four (24) hours with or without cause shown.

BUILDING INSPECTIONS: Joint and/or independent building inspections by the contractor or contractor's designee and the agency designee will be performed monthly to ensure quality housekeeping is being performed. Inspection Reports will be prepared by the agency designee during the inspection. One copy of the report will be given to the contractor or designee for appropriate action. Copies of the monthly inspection sheet will be forwarded to the designated contact person at each agency. The contractor or contractor's designee will be supplied with a copy of the inspection report.

MEETINGS: The contractor must conduct a formal orientation meeting with the employees hired to work this contract. The agency designee will participate with the contractor at a mutually agreed upon date and time. Capitol Police will participate outlining their security requirements for the contractor and employees to follow.

Meetings with the contractor may be called by the designee within each agency. The contractor may request meetings with appropriate personnel as needed.

CUSTODIAL SUPERVISION: The contractor shall provide formal on-the-job training and conduct meetings with the contractor's employees on the contractor's own time. The Custodial Superintendent or his designee SHALL be advised in advance of the scheduled dates and times of these training sessions and may elect to attend.

The contract shall provide previously trained and experienced housekeeping personnel for use on this contract. Also, the contractor shall supply each employee with a specific duty listing with frequency of performance. A copy of these listings shall be posted by the contractor in all janitors' closets and storage rooms. The contractor shall furnish complete copies of the contract Special Provisions and Specifications, etc. to the Contract Manager, Regional Supervisor, Supervisors and Working Supervisors for their use in monitoring the performance of this contract.

SECURITY RULES:

GENERAL

- A. **No visitors, unauthorized personnel, family members etc**, are permitted within the perimeter of the buildings under contract.
- B. **No visitors, unauthorized personnel, family members etc** are to accompany the contractor's employees to work.
- C. Those buildings cleaned after 5:00 p.m. are to be locked unless specified.
- D. No unauthorized use of state telephone except emergency cases.
- E. No unauthorized use of state computers.
- F. All suspicious persons and situations (i.e., suspicious packages, alarm problems, or other safety related details) **SHALL** be reported immediately to Capitol Police by calling State line 739-4130. The Capitol Police Dispatch Center is a 24-hour operation. In the case of Ferris, calls shall be directed to Ferris Security (995-8212) who in turn, may call County or State Police.
- G. Day Shift working supervisors of the contractor are to notify the contact person at each location of irregularities, i.e., defective plumbing, lights out, etc. Night Shift employees are to call Capitol Police at 739-4130 for appropriate action.
- H. Family emergencies may be telephoned to the Capitol Police Dispatch Center at 739-4130 for proper notification to contractor's employees. The contractor's employees should tell family members as to which building they are assigned to enable Capitol Police to locate them quickly in case of an emergency.
- I. No possession or consumption of intoxicating beverages or illegal drugs or intoxicating quantities of un-prescribed legal drugs are permitted on State property.
- J. Security sensitive areas within buildings will be identified with the successful contractor. The designated person within each agency will coordinate "Special Requirements" for these areas with the successful contractor.

SUPPLIES: The contractor is responsible for providing **ALL** supplies necessary to perform quality housekeeping as specified in this contract. These supplies include, but are not limited to, the following items:

- A. Hand towels, multi-fold and roll type, bleached or natural 28 lb. basic weight or better;
- B. Toilet tissue, roll type, jumbo rolls, Scott JRT, standard roll count of 1000 sheets per roll, 1 ply 4-1/2 X 4-1/2 or better.

JANITORIAL SUPERVISION

CUSTODIAL STAFFING: The supervision of the cleaning operations is the key to the success of the custodial management program. Since the custodial supervisors are responsible for the cleaning operations in those buildings under their control, it is necessary that they have a thorough knowledge of the job methods, equipment, materials, production rates and frequencies and the performance.

1. Ranges of Supervision

The assignment of a contract manager and area supervisors shall be interpreted as a mandatory requirement. In many situations a working leader may answer the supervisory need in lieu of these supervisory positions.

2. Types of Supervisory Positions

- A. Area Supervisor: An employee in charge of all custodial employees including subordinate supervisors working on a shift assigned to a building complex. In order to properly inspect and supervise the work, the specific shift assigned is usually designated day or night.
- B. Working Leader: A productive employer in charge of a small group of custodial employees who acts as a pace setter and coordinator in working along with subordinates a majority of the time. Most often used where a minimum of three (3) to a maximum of eight (8) non-supervisory custodial personnel are assigned to a crew as a productive unit (as in daily and scheduled periodic cleaning).

DEPARTMENTAL WORK CONTROL:

- A. General: The Custodial Superintendent or his designee responsible for providing a good system of inspection or follow-up necessary to properly control the cleaning operations. Proper procedures and reporting of cleaning inspections will find the problem areas in the building so they can be given special attention in order to: ensure that the cleaning level in the building is meeting the required standard; identify the cleaner who is not doing his or her job properly; determine the people who need additional instruction or training.

SCOPE OF WORK DETAILS

JANITORIAL SUPERVISION – Continued)

CUSTODIAL STAFFING – (Continued)

- B. Inspection Procedure: The following comments identify and clarify some of the more important inspection procedures. Detailed instructions for recording these inspections are discussed below:
1. Inspections shall be regular and systematic. The contractual inspector shall each day or night do appearance checks to identify problems. In addition, they will perform a thorough inspection every 30 days.
 2. Inspect preferably in the presence of the cleaner and the supervisor directly responsible and/or area supervisor. Point out any unsatisfactory cleaning found and explain how it may be corrected. The inspection should provide the employee with constructive assistance in improving his/her work.
 3. The area supervisor or counterpart shall inspect a portion of assigned areas each night, in addition to the duties of supplying materials, timekeeping, rescheduling, and other required personnel work.
 4. All inspection findings shall be recorded on appropriate forms.
 - a. Notice of Work Required: This form is for use by the inspectors during weekly, monthly, and quarterly cleaning assignments. It is used as a record of cleaning inspections.
 - b. Cleaning Inspection Record: This is a standard inspection form for the use by the inspecting personnel when making and reporting monthly inspections of buildings located within our respective areas. Inspections will be made once a month. Inspection routes shall be varied. A copy is to be left with the supervisor for necessary action.
 - c. Complaints and Requests
 5. The Contract Manager shall meet at least weekly with the designated person within each agency and the inspectors during the first month of the contract. Meetings will be as often as necessary thereafter as determined by the Custodial Superintendent. However, if the contractor requests, a meeting will be held whenever a written complaint is received.
